Retail Transportation Solution

ECHO
Transportation Simplified™

When it comes to Retail Transportation, Echo Has You Covered with Extensive Expertise and Service Options for Greater Visibility

Echo Global Logistics' retail solutions and proactive, first-class service improve OTIF scores and offer visibility into every shipment.

Our Carrier Network and Retail-Oriented Services Provide Extensive Capacity

- Network of over 50,000 carriers, including national & regional trucking companies, dedicated carriers, private fleets, team drivers, and single-truck owner-operators
- Carriers hand-selected through a strict compliance process for proven ability to deliver the highest-quality and best-value service
- Flexible, last-minute capacity to handle your surge needs, spot freight, and end-of-month & end-of-quarter demands
- Emphasis on carriers' on-time performance
- Relationships with warehouses across the country and optional drop-trailer programs provide increased flexibility to your warehouse team
- Retail Consolidation solution ships multiple loads bound for one big box retailer in one truck, simplifying delivery and arriving quicker

Our Team Focuses on Proactive Communication

- Logistics professionals with extensive retail experience support dedicated sourcing and help identify fees
- Emphasis on communication, proactive issue resolution, and 24/7 availability
- Full suite of multimodal transportation services tailored to your needs, including expedited and just-in-time shipping
- Expert analysis of your shipping process to determine where you can gain efficiencies

Our Proprietary Technology Delivers Real-Time Tracking Updates

- Real-time shipment tracking supported by MacroPoint and Echo's own proprietary tracking system
- Proactive shipment management and issue resolution
- Customized reporting on all shipment activity
- EDI and API data integration
- Continuous optimization through technology expertise

Unlike asset-based carriers, Echo isn't limited by equipment or mode. Whether you need just-in-time capacity or want to optimize a regular lane you ship, trust in Echo's vast carrier network and multimodal expertise.
