

CAMPUS NEWSLETTER Q1

What's happening at Echo?

At Echo, we value diversity and strive to have an inclusive culture, free from bias and prejudice. This year, we're taking our Diversity & Inclusion efforts to the next level to ensure all employees are empowered to reach their full potential. We plan on expanding our initiatives, such as our Diversity & Inclusion Committee, an employee resource group that advocates for diversity, equity, and inclusion. Learn more through [Built In Chicago's Q&A](#) with Echo's VP of Talent Acquisition, Sharon Garcia.

For more information on our D&I initiatives, visit our [website](#).

Campus Updates!

We at Echo take pride in our innovative approach to finding and connecting with early-career talent, so we're honored to have been selected as a [2021 Campus Forward Awards honoree](#) by RippleMatch, a leading college recruitment platform, and named one of the [Top 10 Internship Programs](#) by Scholars, a prominent player in the entry-level talent space.

We are excited to have had a great spring 2021 recruiting season! This semester, Echo attended over 30 virtual career fairs across multiple campuses looking for motivated candidates to join us for our summer internship program as well as full-time opportunities. Check out our [campus recruitment page!](#)

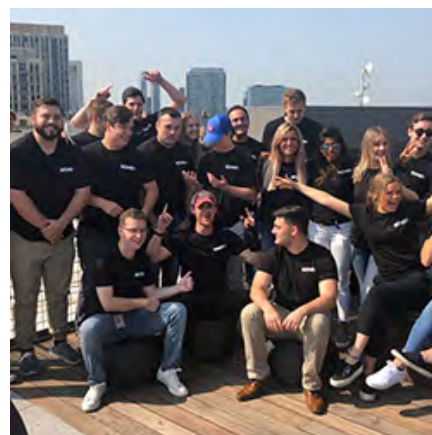

Intern Spotlight

"I had an outstanding experience at Echo last summer! I want to return this upcoming year because they made me feel at home from the beginning and helped me learn a ton of industry-specific knowledge."

- Sean T., Senior at Indiana University, Carrier Sales Intern
