

Keep Shelves Stocked with the Echo Global Logistics Food & Beverage Solution

Service is our bread and butter. From proactive communication to carefully cultivated industry expertise, Echo provides the consistent, quality service that ensures your food & beverage shipments arrive on time.

Our Experienced, Expert Team Is Dedicated to Your Business

- Our logistics professionals manage over 35,000 food and beverage loads annually and have a deep understanding of the industry's unique scheduling, pickup, and delivery needs
- Emphasis on service, communication, proactive issue resolution, and 24/7 availability
- Full suite of multimodal transportation services tailored to your business's needs, including expedited, just-in-time shipping
- Optimization of multi-stop loads to increase efficiency
- Dedicated claims team
- Diverse client network of 30,000+ means we already have established relationships with many customers you work with
- Avoid vendor compliance chargebacks through high on-time service performance and established relationships

Our Proprietary Technology Provides the Visibility You Need

- Real-time shipment tracking through proprietary technology and integrations with MacroPoint
- Customized reporting on all shipment activity
- Account-specific online tools that provide insight into your supply chain
- Proactive communication and exception management resolution
- EDI and API data integration

Our Carrier Partnerships Fill the Gaps in Your Network

- Extensive network of over 50,000 carrier partners
- Wide variety of carrier options, including national & regional trucking companies, dedicated carriers, private fleets, team drivers, and single-truck owner-operators
- Flexible, last-minute capacity to handle your surge needs, spot freight, and end-of-month & end-of-quarter demands
- Emphasis on carriers' on-time performance
- Carriers hand-selected through a strict compliance process for proven ability to deliver the highest-quality and best-value service
- Utilizes preferred Carrier Routing Guides for common warehouses

When it comes to food and beverage, timing is everything. Leverage the Echo team's expertise, extensive capacity, and proprietary technology to ensure your shipments always get where they need to go, when they need to be there.

Book your next food & beverage shipment with Echo.
