

White-Glove and Final-Mile Expertise

Businesses turn to Echo Global Logistics because we have relationships with thousands of diverse carriers across the entire U.S., enabling us to provide customized solutions that fit their needs.

Did you know the final mile of a delivery can make up 50% or more of the total cost of shipping? Echo's capacity, purchasing intelligence, and shipping expertise give you a distinct advantage in final-mile shipping. Our specialized solutions include:

- Commercial and residential deliveries
- Unpacking, light assembly, and debris removal
- Asset recovery and reverse logistics
- Palletizing, packaging, and wrapping
- Management of difficult deliveries (circular staircase, no freight elevator)
- Equipment such as hand trucks, padded carts and dollies, liftgates, and loading ramps

Echo provides coverage for all your white-glove and final-mile needs:

- Tradeshow promotional booths (shipping, setup, and repacking)
- Large electronics such as computers, printers, and high-end arcade units
- Medical equipment and pharmaceuticals
- Construction site materials

Additional services include:

- Retail delivery to midtown Manhattan
- Display rollouts and product replenishment
- Residential and commercial delivery of heavy shipments
- Asset recovery of computer servers and workstations

Book your next final-mile or white-glove shipment with your Echo representative today.
