

Efficiently Manage Inventory with Echo's Dedicated Consumer Packaged Goods Solution

Utilize Echo's industry expertise, full visibility, and broad distribution services to enable a seamless transportation experience for all CPG shipments.

Our Experienced CPG Team Is Dedicated to Retail Performance & Service

- Established relationships and expertise delivering to big box retailers, including appointment scheduling to meet on-time delivery targets
- Broad distribution services to support seamless CPG transportation
- Emphasis on service, communication, proactive issue resolution, and 24/7 availability
- Multimodal and freight brokerage solutions tailored to each shipment, including access to Retail Consolidation

Our Proprietary Technology Provides Real-Time Visibility & Insight

- Real-time tracking through proprietary technology and integrations with MacroPoint
- Analytics and data-driven reporting to identify disruptions and protect performance
- Customized reporting on all shipment activity
- EDI and API data integration

Our Vetted Carrier Network Delivers Performance & Flexibility

- Network of more than 50,000 carriers, including national & regional trucking companies, dedicated carriers, private fleets, team drivers, and single-truck owner-operators
- Carriers hand-selected through a strict compliance process for proven ability to deliver the highest-quality and best-value service
- Dedicated food-grade network of carrier partners offers flexibility and improves OTIF scores

When it comes to the Consumer Packaged Goods supply chain, speed, visibility, and retail compliance are critical. Leverage Echo's industry expertise, proprietary technology, and vetted carrier network to keep fast-moving inventory on schedule and performing to OTIF expectations.

Book your next CPG shipment with Echo today.
